Mr. Reed-Swale's schedule can get complicated. He may need to cancel certain dates if conflicts arise.

By signing your child up, it is expected that he or she will attend unless we are otherwise notified. Please send any notification to the office, not directly to Mr. Reed-Swale. The office MUST know of any changes to your child's schedule.

Mr. Reed-Swale will create a digital calendar invitation and will invite all email addresses listed on the permission form. He will also create an email distribution list with the Discovery Academy office so that parents are notified when a date is cancelled. **In the case of an early dismissal, 5-E Engineering will be cancelled.**

I give permission for my student: _____ to attend Discovery Academy's 5-E Engineering Club at the **Discovery Academy Colt Annex Monday afternoons from 3:30 – 4:30** according to the attached schedule.

I have chosen the following pick up choice that fits our family's needs:

- My student is enrolled in aftercare and will return to aftercare until I can pick him or her up.
- My student is not enrolled in aftercare, so I will promptly pick him or her up at 4:30 from the Colt Building.
